Atlantic Inertial Systems Inc. of the US and Atlantic Inertial Systems Limited of the UK Acquired by Goodrich Corporation

Effective December 21, 2009, Goodrich Corporation acquired AIS Global Holdings LLC and its subsidiaries Atlantic Inertial Systems Inc. of the US and Atlantic Inertial Systems Limited of the UK. There are no name changes resulting from the acquisition. As such, DDTC has determined that all currently approved DDTC authorizations do not require an amendment to reflect this acquisition. However any US applicant with a DDTC authorization identifying either Atlantic Inertial System Inc. of the US and/or Atlantic Inertial Systems Limited of the UK must maintain a copy of this web notice with authorization file.
