

United States Department of State

Washington, D.C. 20520

APR -6 2001

CCPY

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Canada of know-how sufficient for the performance of depot level support for the AN/APG-65 radar for end use by the Government of Canada (Canadian CF-18 Aircraft) and Commonwealth of Australia (Australian F/A-18 Aircraft).

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael E. Guest
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DTC 008-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
