Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Technical Assistance Agreement with Israel.

The transaction described in the attached certification involves the transfer of technical data and defense services to Israel for the manufacture, assembly and repair of the H-764G Inertial Navigation System for various fixed wing and rotary aircraft used by the Israeli Ministry of Defense.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael E. Guest".

Acting Assistant Secretary
