

United States Department of State

Washington, D.C. 20530

23 2002

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and defense services to support the manufacture, sale and overhaul/repair of auxiliary power units (APU) for the CH-47 and SH-60/UH-60 Helicopters in Japan for end use by the Japanese Defense Agency.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Transmittal No. DTC 025-02
