

United States Department of State

Washington, D.C. 20520

MAY 23 1977

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting herewith certification of a proposed Manufacturing License Agreement with Italy and France.

The transaction contained in the attached certification involves the export of technical data and defense services to Italy to support the co-production of Mk-83 Joint Direct Attack Munition (JDAM) Guidance Kits.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael E. Guest
Acting Assistant Secretary
Legislative Affairs
