

United States Department of State

Washington, D.C. 20520

MAY 24 2001

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and assistance to Belgium for the manufacture of F110 series military aircraft engine components.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

  
Michael E. Guest  
Acting Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DTC 057-01

The Honorable  
J. Dennis Hastert,  
Speaker of the House of Representatives.
