

United States Department of State

Washington, D.C. 20520

MAY 24 2001

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Manufacturing License Agreement with the Republic of Korea.

The transaction described in the attached certification involves the transfer of design data, engineering information, instructions and support material for the manufacture of ADVS 1790 series engines in the Republic of Korea for the Korean Defense Department.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael E. Guest
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DTC 058-01
