

United States Department of State

Washington, D.C. 20520

JUN 20 1992

Dear Mr. Speaker:

Pursuant to Sections 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Finland of technical data, defense services and defense articles for the manufacture of eighty additional LAV-30 turrets for use in the BMP-1, BMP-2 and XA-125 fighting vehicles for end-use by the Governments of Finland, Sweden, Switzerland, Belgium, Denmark, France, Germany, Italy, the Netherlands, Norway, Spain, the United Kingdom and Poland.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 060-02
