

United States Department of State

Washington, D.C. 20520

MAY 23 1991

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting herewith certification of a proposed Technical Assistance Agreement for the export of defense articles or defense services sold commercially under a contract in the amount \$50,000,000 or more.

The transaction contained in the attached certification involves the sale to Mexico of the SATMEX 6 commercial communications satellite. The satellite will provide telecommunications services in the western hemisphere.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael E. Guest
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DTC 061-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
