United States Department of State

Washington, D.C. 20520

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Manufacturing License Agreement with the United Kingdom.

The transaction described in the attached certification involves the transfer of technical data and assistance for the manufacture of components and subassemblies of the Narrowband Data Link System in the United Kingdom for the UK ASTOR System Program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary/
Legislative Affairs

Enclosure:

Transmittal No. DTC 078-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
