AUG 2 2001

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Manufacturing License Agreement with Germany.

The transaction described in the attached certification involves the transfer of technical data and production know-how for the manufacture of M865 TPCSDS-T and M831A1 TP-T 120mm Practice Ammunition in Germany with added sales in Austria, Belgium, Denmark, Italy, Japan, Norway, South Korea, Spain, Sweden, Switzerland and the Netherlands.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs
