

United States Department of State

Washington, D.C. 20520

NOV - 1

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting herewith certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Norway of technical data and defense services for the manufacture of F110 and F118 engine components for return to the United States.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification, which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 121-01
