Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement with Switzerland.

The transaction described in the attached certification involves the export to Switzerland of technical data, defense articles and assistance for the manufacture and assembly of the TOW 2A (Special) anti-armor missile for end-use by Switzerland and sale to Austria, Australia, Belgium, Canada, Denmark, Finland, France, Germany, Greece, Israel, Italy, Japan, Kuwait, Luxembourg, the Netherlands, Norway, Portugal, South Korea, Saudi Arabia, Spain, Sweden, Turkey and the United Kingdom.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly".
