

United States Department of State

Washington, D.C. 20520

OCT - 7 2002

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to the United Kingdom of technical data and assistance for the manufacture of C-130 nacelles for use by Lockheed Martin in the production and support of C-130 aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "M. C. Polt", written in a cursive style.

Michael C. Polt
Acting Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DTC 146-02

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
