

United States Department of State

Washington, D.C. 20520

NOV - 9 1983

Dear Senator Helms:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of materials to Mexico, necessary for the production of various military training equipment sub-assemblies and their subsequent return to the United States.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DTC 155-01

The Honorable  
Jesse Helms,  
Committee on Foreign Relations,  
United States Senate.
