

United States Department of State

Washington, D.C. 20520

DEC 21

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to the United Kingdom of technical data related to the development and repair of United Kingdom produced items (i.e., head up displays, air data computers, and sensors) for end-use by the U.S. Government.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul V. Kelly".

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DTC 156-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
