

United States Department of State

Washington, D.C. 20520

DEC 19 2001

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Germany of technical data and defense services for the repair and overhaul of AGT1500 Vehicular Gas Turbine Engines on the M1A1 Main Battle Tanks for the United States Army in Europe and the Kingdom of Kuwait.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".

Assistant Secretary

Transmittal No. DTC 158-01

The Honorable
