Dear Mr. Speaker:

I am transmitting, herewith, certification of a proposed issuance of an export license pursuant to Section 126.14 of the International Traffic in Arms Regulations concerning a major program authorization (MPA) and Section 36(c) of the Arms Export Control Act.

The transaction contained in the attached certification involves the export of electronic power generating systems to Germany, Italy, Spain and the United Kingdom in support of the Eurofighter program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".
