

United States Department of State

Washington, D.C. 20520

APR 21 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services, technical data and defense articles to the Republic of Korea. This agreement supports the manufacture, assembly and repair of fuselages and fuselage components for the AH-64D Apache Helicopter.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "James P. Terry".

James P. Terry
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DTC 011-04

The Honorable
