

Nano
United States Department of State

Washington, D.C. 20520

APR - 2 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act (AECA), I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification consists of the export of Sentinel radar assemblies and related equipment to the U.S. Armed Forces in Kuwait.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Pursuant to a Presidential delegation of authority, and authority delegated by the Secretary of State under Section 36(c) of the AECA, I wish to notify you that the Under Secretary of State for Arms Control and International Security has determined that an emergency exists which requires that the export license pertaining to the proposed transfer will become effective immediately in the national interests of the United States.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
