

United States Department of State

Washington, D.C. 20520  
JUN 10 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of major defense equipment sold commercially under a contract in the amount of \$14,000,000 or more.

The transaction contained in the attached certification involves the export of five Goalkeeper Gun Mounts (including 30mm gun), warranty replacement parts for the Goalkeeper Gun Mounts and nine Timing Verification Gear Modkits to South Korea for anti-ship missile defense on Korean Navy KDX and LPX ships.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs
