

United States Department of State

Washington, D.C. 20520

JUL 24 2003

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the development of 155mm artillery ammunition resulting from the merging of the U.S. Army XM982 Excalibur Guided Projectile and the Swedish Trajectory Correctible Munition Program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 060-03

The Honorable
