Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, ~~herewith, certification of a proposed manufacturing license agreement for the~~ manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data and defense services to Egypt for the manufacture, assembly and test training for assembly of the AN/VVS-2(V)4, AN/VVS-1924 and AN/VVS YPR Night Driver's Viewers for the Egyptian Government.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with the first name "Paul" being the most prominent.
