

United States Department of State

Washington, D.C. 20520

NOV 19 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification concerns exports of technical data and defense services for sale, delivery, and support of fifty-seven Pratt & Whitney F100-PW-229 engines for the F-16I aircraft for the government of Israel.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with a large initial "P" and "K".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 119-03
