

United States Department of State

Washington, D.C. 20520

FEB 13 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to the United Arab Emirates of technical data, defense services and defense articles related to establishment of a depot level maintenance capability for hydraulic, pneumatic, fuel, instrument, landing gear and oxygen systems for the F-16 Block 50, C-130 and AH-64A aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul V. Kelly".

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DTC 213-02

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
