United States Department of State

Washington, D.C. 20520

APR -7 2006

Dear Mr. Speaker:

Pursuant to Section 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed multi-contract effort for manufacture and export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services and hardware to Canada to support the sale, and in-service support of 28 H-92 Helicopters for the Canadian Navy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs
