Washington, D.C. 20520

NOV 18 2005

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the transfer of technical data, assistance and manufacturing know-how to Sweden and the United Kingdom for the manufacture of the Bushmaster IV 40mm Chain Gun.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 006-05
