

United States Department of State

Washington, D.C. 20520

SEP 15 2006

Dear Mr. Speaker:

Pursuant to Section 36(c) & (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad and the export of defense articles or defense services in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the transfer of technical data, defense services and hardware to Canada for the manufacture of Automatic and Semi-Automatic Rifles and Carbines up to .50 Caliber and 40mm Grenade Launchers.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs
