

United States Department of State

Washington, D.C. 20520

NOV 18 2005

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to the Republic of Korea of technical data, hardware, and assistance to support the manufacture, assembly and repair of fuselages and fuselage components for the AH-64D Apache helicopter.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner  
Assistant Secretary  
Legislative Affairs

Transmittal No. DDTC 042-05
