

United States Department of State

Washington, D.C. 20520

DEC 20 2005

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export to the United Kingdom of technical data, defense services and hardware for the manufacture of the Bowman Communication System for end-use by the Royal Netherlands Navy (Marine Corps).

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner  
Assistant Secretary  
Legislative Affairs

Transmittal No. DDTC 068-05

The Honorable
