

United States Department of State

Washington, D.C. 20520

APR 10 2006

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services, and hardware for training in counterterrorism, crisis response, dignitary protection and force protection for the Iraqi Ministry of Interior in support of Operation Iraqi Freedom.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations:

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs
