

United States Department of State

Washington, D.C. 20520

MAY 23 1994

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed authorization for the export of significant military equipment in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of three (3) DIRECT TV commercial communications satellites to international waters for the purpose of launch on the Sea Launch platform and to transfer ownership in orbit to a U.S. company.

The United States Government is prepared to approve the sale of the satellite having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".
