Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, re-certification of a proposed manufacturing license agreement for the export of defense services and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the Turkey for the manufacture of the AN/ALQ-178(V)5+ Self Protection Electronic Warfare System (SPEWS II) and the AN/ALQ-178(V)5+M Self Protection Electronic Warfare System with Low Band Jamming Functionality (SPEWS III).

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
