

United States Department of State

Washington, D.C. 20520

Dear Madam Speaker:

MAY - 9 2007

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data, defense articles, and defense services to the United Kingdom for manufacture of the M53 Nuclear-Biological-Chemical Improved Protective Mask for end-use by the U.S. Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 002-07

Speaker of the House of Representatives.
