

United States Department of State

Washington, D.C. 20520

JUN 19 2007

Dear Madam Speaker:

Pursuant to Sections 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment.

The transaction described in the attached certification involves the transfer of defense articles, technical data, and defense systems to Norway for the manufacture of Gunner's Thermal Systems.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 021-07

Speaker of the House of Representatives.
