1541

Dear Mr. Speaker:

DEC 07 2006

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export to Norway of technical data, defense services and hardware for the manufacture of the M-72 Lightweight Anti-Armor Weapon System variants and associated product improvements for sales in the U.S. and various other countries.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 062-06

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
