

United States Department of State

Washington, D.C. 20520

OCT 19 2007

Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the export of technical data, defense articles and defense services to Italy to establish a depot repair facility for night vision equipment in the inventories of the Ministries of Defense of Poland and Ireland.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner". The signature is written in a cursive style.

Jeffrey T. Bergner  
Assistant Secretary  
Legislative Affairs
