Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of technical data, defense services, and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services and articles in support of the Multi-Role Electronically Scanned Array Radar/Identification Friend or Foe Subsystem for the Korea EX 737 Airborne Early Warning and Control Program. This transaction is part of a sub-contract to the Korea EX 737 Program notified to congress under CN # 054-07.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".
