

United States Department of State

Washington, D.C. 20520

MAR 3 0 2009

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to include the export of technical data, defense services, and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the transfer of technical data, defense services, and hardware to Mexico to support the design and construction of auxiliary ships on behalf of the United States Navy and the Military Sealift Command.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael C. Polt  
Acting Assistant Secretary  
Legislative Affairs
