

United States Department of State

Washington, D.C. 20520

JUL 27 2009

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export of defense articles or defense services in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the export of defense articles from the United States to Canada in support of the transfer of title of one commercial communications satellite to Canada.

The United States Government is prepared to license the transfer of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Richard R. Verma".

Richard R. Verma
Assistant Secretary
