

United States Department of State

Washington, D.C. 20520

JUL 9 2009

Dear Madam Speaker:

Pursuant to Sections 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the export of technical data, defense services and defense articles in the amount of \$100,000,000 or more, and for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles and defense services for the M72 Lightweight Anti-Armor Weapon System to Thailand.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Richard R. Verma".

Richard R. Verma
Assistant Secretary
