Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles, including technical data, and defense services related to the supply and support of the torpedo propulsion system for the Spearfish Heavyweight Torpedo for use by the United Kingdom Ministry of Defence.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Richard R. Verma".
