

United States Department of State

Washington, D.C. 20520

Dear Madam Speaker:

JUL 9 2009

Pursuant to section 36(c) of the Arms Export Control Act, as amended, I am transmitting, herewith, certification of an application for a license for the export of defense articles or defense services to be sold under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense services and defense articles, including technical data, related to the design, manufacture, test and delivery of the BSAT-3c/JCSAT-110R Commercial Communications Satellite(s) for Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Richard R. Verma".

Richard R. Verma
