

United States Department of State

Washington, D.C. 20520

Dear Mr. Chairman:

JUL 13 2009

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the transfer of technical data, defense services, and hardware to the Commonwealth of Australia to support the manufacture, assembly, verification and test of Small Unmanned Aerial Vehicles and associated components for sale exclusively to AAI Corporation in the United States.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
Legislative Affairs
