United States Department of State

Washington, D.C. 20520

JUN - 7 2010

Dear Mr. Chairman:

Pursuant to Sections 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing license agreement for the manufacture of significant military equipment abroad and the export of firearms abroad in the amount of \$1,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, to include technical data, and defense services to King Abdullah II Design and Development Bureau (KADDB) in Jordan for the assembly and distribution of JAWS (Jordan Arms and Weapons Systems) Viper multi-caliber semi-automatic handguns to various countries.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
Legislative Affairs
