Washington, D.C. 20520

AUG 06 2009

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Technical Assistance Agreement for the export of technical data, defense services, and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, technical data, and defense services related to the delivery and support of five Sentinel Radars and two Sentry Command and Control Systems for end-use by the Mexican Navy.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
