United States Department of State

Washington, D.C. 20520

May 27, 2010

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, to include technical data, and defense services to Algeria for the avionics modernization of seventeen C-130H aircraft and the sale of associated spares, training, and one C-130H simulator for use by the Algerian Ministry of Defense.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Verma", written over a large, stylized flourish.

Richard R. Verma
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 10-011
