

United States Department of State

Washington, D.C. 20520

JUN 25 2010

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to include the export of technical data and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the transfer of technical data and defense services to support the 737 Airborne Early Warning and Control (AEW&C) Wedgetail System previously delivered to the Commonwealth of Australia.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard R. Verma".

Richard R. Verma
Assistant Secretary
