

United States Department of State

Washington, D.C. 20520

JUL 12 2010

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement, to include the export of major defense equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$25,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the United Kingdom in support of the sale of Hellfire II missiles.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard R. Verma".
