

United States Department of State

Washington, D.C. 20520

MAY 26 2011

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the transfer of defense articles, to include technical data, and defense services, to Turkey for the manufacture, assembly, integration, testing and repair of the Cobra family of ground vehicles in Turkey for delivery to and end-use by the Government of Turkey.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized loop followed by a horizontal line extending to the right.

Joseph E. Macmanus
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 11-011
